A BIANCHI 1770 GROUP COMPANY

204

The 204 model is a professional key cutting machine for bit, double-bit, pipe and pump keys and for keys with vertical grooves. The movements of the carriage, due to the cross-shaped table system mounted on rolls, are extremely easy and precise.

The two-speed motor makes it possible to set the speed according to the material, thus obtaining high cutting precision and lengthening the life cycle of the cutter.
